Sale conditions

Due to the unprecedented current global sanitary situation, Le Haras de Malleret offers -25% on the breeding contracts of its stallions for the 2020 season. 10% will be donated to the Fondation des Hôpitaux de France.

- We are enchanted to inform you that from 2019, the Haras de Malleret will propose a “live foal guarantee” which means that after making an advance payment, the rest of the order is to pay 48 hours after the birth of the foal.
- The breeder buys a servicing card of our stallion Danciano de Malleret, for insemination purposes with frozen semen, under the following terms:
- An advance payment of 400 Euros excl. VAT (on the total amount of 1.125€ instead of 1.500€ excl. VAT) has to be paid when ordering the semen.
- The technical fee and the transport fee have to be paid together with the advance payment of 400€ (paid by bank transfer)
- Transport fee: 97€ excl. VAT for France, prices for European or worldwide shipment on demand
- Technical fee: 70€ excl. VAT
- The remaining 725€ excl. VAT have to be paid 48 hours after the birth of the foal. The servicing card will be issued once the total amount is received by bank transfer.
- If the mare is not full on 31st October of the year of order (confirmed by a veterinary certificate), the servicing card will be transferred to the following year, only the transport and technical fees have to be paid again.
- Technical and transportation fees are not refundable nor postponed.
- Any delay in payment will lead to the billing of default interest at a legal rate.
- Booking of the servicing card is effective only on reception of the signed contract and once the total payment has been received.

CONDITIONS OF INSEMINATION

Servicing is booked for the following mare:

Identification number :

Breeding origins mare :

Studbook Foal :

Insemination center (name, address, phone number, email) :

Embryo transfer : Yes No

- Purchaser declares to have taken notice of the conditions in which take place the inseminations. He will, indeed, make with the insemination center a distinct accommodation agreement for his mare and the seller would not be considered responsible for any harm that could occur to the purchaser's mare in the facility.
- The positioning and accommodation charges, the gynecological follow up and eventual analysis costs remain at the buyer's charge.
- Every sale contract includes 2 doses of 6 straws of frozen semen.
- Unused doses remain the property of the seller. The buyer agrees to send back to the seller any unused frozen semen.
- The semen can't be transmitted to a third person. The doses will be used only on this particular mare.
- If the purchaser uses the frozen semen without authorization, he will be imposed, without exception, a fine of 2500 € in addition to all outstanding receivables.
- The frozen semen may only be used for conventional artificial insemination or for embryo transfer. The use of the semen for ICSI or other advanced breeding technics is only permitted after prior agreement.
- The frozen semen will be invoiced for each mare and contains a maximum of 2 doses of insemination material.

The buyer attests that he has been clearly informed about the terms of this present contract. He hereby accepts all terms without exception.
